

Donate Habitat Home Construction Materials

Make a tangible impact on our ability to build affordable homes right here in Lake County! Donations of materials are a vital part of our mission; they help us cut costs, construct more affordable homes, and build a more vital, equitable community. We gratefully accept many types of building materials, supplies, and tool donations. However, not all donations can be used on the build site due to bulk purchasing agreements, ongoing donor relationships, and maintaining construction standards. We encourage anyone looking to donate building materials to select items from our construction wish list below!

All donations can be mailed or delivered to our affiliate office during business hours at 315 N. Martin Luther King Jr. Avenue, Waukegan, IL 60085. Please be sure to include your personal contact information so that we can thank you for your generous gift!
